

DURONTM NEXT GENERATION

THE TOUGHER. THE BETTER.TM

PRODUCT MAP NORTH AMERICA

DURON next generation is our new product line, developed with OEMs to meet and exceed the new category challenges and provide customers with new standards of engine protection, performance and fuel efficiency in the toughest operating conditions.

Our product map explains the transition between the previous DURON diesel engine oils and our next generation of premium products, including new product codes.

To order, or to talk to the Petro-Canada Lubricants team, use the contact details at the end of the document.
